

Unganyembe Feby. 1872.

Received the loan of one
Pocket Chronometer No
from Captain
of A. M. S.
for Government
service, and I hereby engage
to account for the same to
Captain Richards R. N.
A. M. Hydrographer - Admiralty
London.

David Livingstone

A. M. Consul

Inner Africa

A. B. If a chronometer can be lent
without detriment to the service
it will be of very signal benefit
in my operation

David Livingstone

Balance with school to be held by chips of dry cork
